

Entity name	
Total value	

In order to compare process, bidders must indicate their prices on the basis of the following:

Variable Costs	Quantity	Amount (Exclusive of VAT)	Amount (Inclusive of VAT)
Rate per entity report on project status and conclusion (the quantity will depend on findings and will be part of the 1800 entities mentioned in the background)	1		
Rate per untraceable entity report and conclusion (the quantity will depend on findings and will be part of the 1800 entities mentioned in the background)	1		
Average rate per hour for year-end support: (the quantity will be limited to 240 hours)	1		

Fixed Costs	Quantity	Amount (Exclusive of VAT)
Cost to review 2023/24 audit action plan	1	
Cost to adjustment the commitment schedule and discretionary grant register, based on findings	1	
Vat 15 %		
Total (including all other applicable charges)		

***Note:**

Units for variable costs will depend on actual figures, therefore the section only requires rates per unit.

All amounts above should take into consideration all costs involved (i.e., travelling and accommodation costs to all provinces)

Consulting rates to be aligned with DPSA guidelines
