TO: ALL REGISTERED CONSTITUENT ASSESSORS/MODERATORS AND STAKEHOLDERS

RE: REGISTRATION VALIDITY FOR CONSTITUENT ASSESSORS/MODERATORS CURRENTLY REGISTERED FOR THE ATTACHED LIST OF 42 HISTORICALLY REGISTERED QUALIFICATIONS FALLING UNDER THE SCOPE OF THE SERVICES SECTOR

The Services SETA wishes to inform all stakeholders and Constituent Assessors/Moderators that are registered against the attached list of **42 Historically Registered Qualifications** that fall within its scope that their registration remains valid in line with the last date of enrolment and last date of achievement as per the Government Gazette dated **3 June 2024, Gazette no 50742**. The communication is not applicable for the 2 Occupational Trades (Hairdresser and Stonemason) extended and listed in the gazette. Please be reminded that the last date of enrolment has been extended to **30 June 2025**, with the possibility of a further extension to **30 June 2026** and the last date of achievement for the qualifications is **30 June 2028**, with the possibility of a further extension to **30 June 2029**. This letter can be used by Constituent Assessors/Moderators in conjunction with the registration report to demonstrate a valid registration status.

The Services SETA will automatically extend the registration status of **ALL** Constituent Assessors/Moderators who are currently registered for the above-mentioned qualifications and their Unit Standards on the LMIS system. Similarly, we also wish to state that the Services SETA is not able to issue letters of extension to every Constituent Assessor/Moderator on the database, due to the large number. Lastly, the Services SETA is **NOT** accepting any new applications for registration of Constituent Assessors/Moderators against historically registered qualifications. Notwithstanding, the requests for registration may be considered on a case-by-case basis subject to receipt of a sound motivation.

Regards.
