1. PURPOSE OF THIS PROJECT

APPOINTMENT OF A PANEL OF SERVICE PROVIDER TO PROVIDE EVENTS LOGISTICS AND BRANDING SERVICES

INTRODUCTION AND OVERALL OBJECTIVES

Established in March 2000 under the Skills Development Act of 1998, the Services Sector Education and Training Authority (Services SETA) drives skills development across various sectors. These sectors include cleaning and hiring services, personal care, business and management, labour and related services, real estate and associated services, and communications and marketing services.

Services SETA offers grants to employers and skills development providers for the skills training of employed and unemployed individuals, enabling them to participate in economic activities and contribute to sector growth.

In addition, Services SETA facilitates the development of learning programmes, accredits skills development providers, approves assessment centres, and manages certification in collaboration with relevant authorities such as the QTCO, which is responsible for [specific role of the QTCO]. This comprehensive approach supports the National Skills Development Plan 2030 and fosters meaningful economic contributions.

To effectively implement its activities and strategy, the Services SETA events logistics and branding services to ensure events are executed seamlessly.

This Bid is for experienced, knowledgeable service providers to submit proposals for the provision to be part of the Services SETA's panel for events management. Proposals should demonstrate a thorough understanding of the required services and include detailed plans for meeting them.

LATE SUBMISSIONS WILL NOT BE ACCEPTED AFTER THE CLOSING DATE AND TIME

Please note that all pertinent documentation is available on the Services SETA website at www.serviceseta.org.za

2. BACKGROUND

Overview

Services SETA invites proposals from experienced event management companies to conceptualise, plan, and execute a variety of event types. These events support the implementation of the National Skills Development Plan (NSDP) 2030 outcomes and Services SETA's strategic goals. The Marketing and Communications Department requires event management support to deliver high-impact events that engage stakeholders, promote skills development and drive organisational objectives. Appointed service providers will form part of the events management panel for three years.

Event branding plays a pivotal role in defining the atmosphere and identity of our events, seamlessly integrating our organisational values and message across every visual touchpoint. As such, it is crucial to

ensure that every aspect of event branding—from the strategic placement of logos and banners to the consistent application of our colour schemes and design motifs—resonates with our attendees and reinforces our brand presence. To achieve this, we require a specialised team dedicated exclusively to managing event branding efforts. This team will handle the logistics of transporting, setting up, and dismantling branding materials, ensuring they are immaculately clean and well-maintained for each event, and securely stored when not in use. Furthermore, the branding materials must be fully insured to safeguard against any potential risks, underscoring the importance we place on maintaining high standards of quality and professionalism in presenting our brand to the public.

Background

The NSDP 2030 aims to address critical skills gaps, enhance workplace learning, improve employability and productivity, and foster stakeholder collaboration. Events play a crucial role in achieving these outcomes by engaging stakeholders, disseminating information and showcasing success stories.
